MEMORANDUM FOR: [REDACTED]
OIT NHB Coordinator

STAT

FROM: [REDACTED]
Chief, New Building Project Office, OL

SUBJECT: South Building-Building Room

1. The New Headquarters Building (NHB) South B/B room, 0G038, has been completed by the construction contractor. The New Building Project Office (NBPO) has agreed to provide supplemental air conditioning and electrical service. This work will be done by Facilities Management Division (FMD) through a follow-on construction contract. The notice to proceed has been given on 22 January with a period of performance of 45 calendar days. Therefore, the final completion date must be revised to 7 March 1988 vice 1 March.

2. The space is currently available for preparation or cable pulling by OIT contractors at this time. Please contact NBPO for assistance in coordinating this activity.
